**Description** for fast drawing when needed.

2mm plastic frame for Fast Out – Fast In.

Pouch is adjustable with shock cord for best retention.

It has heavy duty anti slip fabric on the inside for holding the magazine safer.

Adjust the magazine for the pouch, mount the pouch and fine adjust the pressure for the magazine. Less pressure up and more pressure down.

Pull the magazine out from the body and up. Like that, you can adjust the magazine tight in the pouch.

Airborne approved.

M4 pouch fit for M4, G3, AK47 magazines or smaller handheld radios.

G36 pouch fit for G36, HK417 magazines or larger handheld radios.

Pistol pouch fit most pistol magazine, flashlight, multi tool etc.

MP5 pouch fit most batons, flashlights, MP5 and UMP45 size magazines.

Hand Cuff pouch fit most handcuffs.

Once installed, they hold great, I've used them for AR mags, AK mags, HK G36 and G3 mags, FN FAL mags and handheld radios. They retain the gear very well, yet are still good to draw the mags from. Great piece of kit and worked as expected. Recommend!
